(HOSPITAL & HEALTH MANAGEMENT)

2 YEAR FULL TIME

(2025 - 2027)

ACADEMIC BROCHURE

Vision

IIHMR is a premier institute in health management education, training, research, program management and consulting in the health care sector globally. The Institute is known as a learning organization with its core values as quality, accountability, trust, transparency, sharing knowledge and information. The Institute aims to contribute for social equity and development through its commitment to support programs aiming poor and the deprived population.

Mission

IIHMR is an institution dedicated to the improvement in standards of health through better management of health care and related programmes. It seeks through management research, training, consultation and institutional networking in a national and global perspective.

The Institute

The International Institute of Health Management Research (IIHMR) Delhi NAAC 'A' accredited, a part of the IIHMR Society, was established in 2008, with a mandate to focus on national as well as international health priorities, with a special focus on the Asia-Pacific region. Over the years IIHMR-Delhi has emerged as an institute of repute both nationally and globally for producing socially conscious, skilled and vibrant top-class health care management professionals. Our graduates are well-matched for the ever-changing health care sector and evolving social milieu. The institute has progressed as a leader in research, teaching, training, community extension programmes and policy advocacy in the field of health care. IIHMR has carved out a niche for itself through its cutting-edge curriculum, infrastructure facilities and accomplished multi-disciplinary faculty.

Infrastructure

The aesthetically designed and magnificently built campus of IIHMR is located in Dwarka, New Delhi. The infrastructure as well as the facilities are at par with international standards and meet all academic and administrative requirements. The well-lit spacious air- conditioned classrooms equipped with audio-visual facilities create an atmosphere conducive to learning. The library of the Institute is equipped with the latest books, journals and magazines of national and international standards that are required for academic as well as research activities. The Institute also has a spacious and well- equipped cafeteria and a guest house for visiting guests and dignitaries. The library has a rich collection of national and international journals and books related to Hospital Management, Health Management and Health Information Technology Management, Leadership, Management Information Systems, Quality Assurance, Health Economics and Finance, Public Health Management, Population Sciences, Research Methodology, Biostatistics, Sociology etc. The library also includes audio and video cassettes, CD-ROMs, e-databases and more than 240,000 e-Books.

Post Graduate Program

The Institute offers a two-year full-time AICTE approved Postgraduate Programme with specialization in :

- Hospital Management
- Health Management
- Health Information Technology

MBA equivalent PGDM (Hospital & Health Management) is a flagship education programme aims at developing trained professional managers. The institute impart its students with requisite skills in planning, implementation, operational management, diagnosing and problem solving, consultancy and entrepreneurship to prepare them to manage hospitals and healthcare institutions in any environment both in public and private sectors.

The Institute believes in holistic development of the student and builds achievers through it's academic programs. Our students have won prizes in many inter-campus and national competitions in academic and non-academic activities. The Institute also encourages and supports entrepreneurship and some of our students are running their own organizations successfully. Our students attend workshops, conferences and publish research papers with the help of faculty members.

Program Educational Objective (PEO)

"The IIHMR, Post Graduate Program in Hospital and Health Management is designed to provide the graduate students with appropriate knowledge, attitude and skills to enable them to perform as effective leaders and managers in healthcare industry" Additionally, the program seeks to fulfil the following specific objectives:

- To understand concepts and techniques of management and their application in hospital and healthcare organizations.
- To develop skills in diagnosing and solving management problems in healthcare.
- To apply the management skills in planning, operationalizing and managing healthcare organizations.
- To focus on strategic responsibilities for capacity building and human resource development for healthcare delivery.
- To understand and apply the principles of research to identify healthcare problem and provide solutions.
- To explore and implement new technology and innovations in health sector.

Eligibility Requirements

- Bachelor's degree in any discipline with a minimum of 50% marks (45% in case of candidates belonging to reserved category) in the qualifying Examination in the aggregate.
- Should have taken any one of the Management Aptitude tests like CAT/MAT/XAT/ATMA/GMAT/CMAT or the common entrance examinations (if any) conducted by the respective State Governments / Central Government (CUET).

Candidates appearing at the final year examination of the Bachelor's degree or waiting for the results of their final year degree examinations in 2025 may also apply. Selected candidates will be given provisional admission. They will be required to produce evidence of their graduation within two months of admission. The selection will be made strictly on merit basis through the Management Aptitude Test.

Submission of Application

Candidates aspiring for admission to the MBA equivalent PGDM (Hospital and Health Management) program are required to apply online, kindly visit – apply.iihmrdelhi.edu.in/pgdm. Group discussion and Personal Interview will be conducted of eligible students either virtually or at IIHMR Delhi campus Plot No. 3, Sector 18A, Phase II, Dwarka, New Delhi- 110075

Course Structure

Summer Training

At the end of the first year each student works with an organization on a project for a period of a minimum of eight weeks. The objective is to allow students an intense day-to-day interaction with organizations. Summer Training provides exposure to the student in the functioning of an organization in real time. It also helps students to develop managerial skills, competencies and facilitates an informed career choice. At the end of summer training, students will be assessed on the basis of their performance during summer training. Students submit summer training report and present poster before the panel.

Uniform

All students are mandatorily required to wear prescribed uniform as per the norms of the institute (except the in-service officers).

Zero Tolerance To Ragging

The Institute observes a "Zero tolerance" policy towards ragging and takes a serious view of such offences. It can lead to the expulsion of a student found engaging in harassing or maltreating a fresher. Any student accused of ragging would be given an opportunity to explain his/her conduct and if found guilty, would be summarily expelled from the Institute.

Dissertation and Internship

All students are required to make a dissertation in their area of interest. The dissertation will include a critical review of literature pertaining to the specific area of interest, data collection and analysis of the selected problem, besides other components. The dissertation must be completed in the second year to achieve the award of the programme.
